450 Things to Do in Your Life is a voting game where players guess which activities their opponents would like to try and vote accordingly. During the game the players will not only have fun but also learn a lot about each other, and, perhaps, they even learn something new about themselves. Finally you can actually think about all the fun and crazy things to do in your life, like: «Am I ready to shave my head? Or scuba dive, or kiss a frog?»
