Illustrator: Natalya Efremova

Box size: 20.3x20.3x5.7 cm

Family

Kids

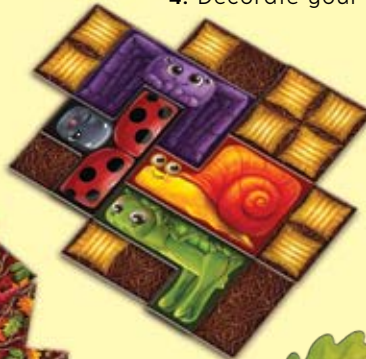

Book your Bug & Breakfast!

The autumn forest is abuzz with anticipation – a brand new inn is being built... exclusively for BUGS! Bouncing grasshoppers, merry ladybugs, busy bees, and even daydreaming spiders are already gathering in the clearing, waiting for the grand opening.

Use vibrant leaf tiles and whimsical roofs to build comfy dwellings for all the guests. Fill your inn with the most colorful crowd of little crawlies to win the title of the most Tree-markable Host!

1. Look for pillows under the leaves
2. Add them to your inn
3. Accommodate your bugs
4. Decorate your inn with fancy roofs and compete for awards

Components:

- 27 bug tiles
- 4 starting tiles
- 64 leaf tiles
- 6 roof tiles
- 3 award tiles

Festburg

Author: Gary Kim, Hope S. Hwang, Yohan Goh

Illustrator: Marie Merkh

Box size: 11.1x11.1x4.3 cm

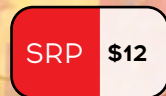

Family

Festburg is buzzing! The festival is coming to town, and so are the guests – from traveling minstrels to mystical fortunetellers.

As stewards, you know every visitor has their own quirks. Will you accommodate everyone and create a harmony, or play favorites and risk causing chaos?

1. Welcome the crowd – Reveal a card, decide if these guests are worth your favor, and take them into your pile.
2. Accommodate the guests – Pick the guests that would gladly take the vacant spot.
3. Score your festival – Multiply your collected guests by those happily settled on the festival area. The best steward wins!

Components:

- 69 cards
- 1 pencil
- 1 score pad
- rulebook

Sweepers

Author: Oleg Meleshin

Illustrator: Eugenia Bandi

Box size: 19.8x19.8x5.7 cm

Family

Kids

Whoa – look at all these treats! Quick, squirrels, grab your rakes and rake up your snacks before someone else gets their paws on them!

In Sweepers, all players act simultaneously. Reveal the top card from your deck, find the matching treat token on the meadow, and carefully rake it off your side of the board using only your rake. But be careful – if you knock off the wrong token or collect the wrong treat, you'll lose valuable time fixing your mistakes.

Each new card sends you searching for a different combination of item and background color, creating a frantic race of observation, precision, and hand-eye coordination.

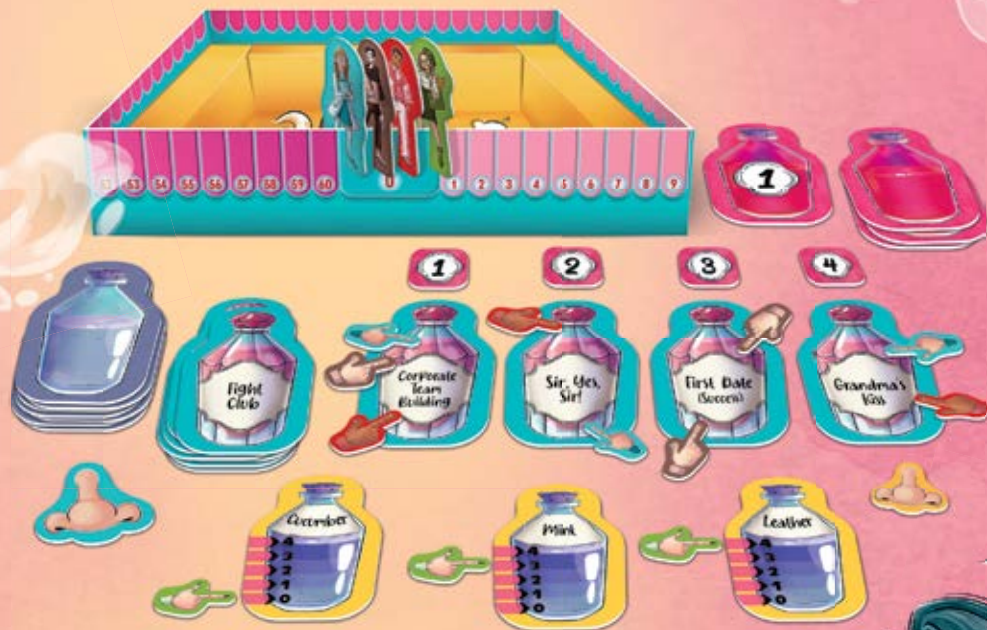

SRP \$17

Components:

- 4 rakes
- 1 sand timer
- 42 stash tokens
- 36 treat cards

Eccentric Essences

Author: Yuri Lanovenchik

Illustrator: Liza Antonova

Box size: 19.6x10.5x4 cm

Party

Welcome, student, to your final exam at the Perfume Academy! Get ready for the most gloriously absurd test of your life! Your professors have crafted challenges that will make your head spin. "Essence of Monday Morning"? "Aroma of a broken dream"? "Eau de Forgotten Leftovers"? Your mission is to create these and many other legendary scents from the "finest" ingredients on hand: thing mothballs, stale strawberry and baby powder. It's time to think fast and follow your nose – wherever it may lead!

SRP \$20

Components:

- 162 cards
- 41 tokens

Our Friend Yeti

Author: Martino Chiacchiera

Illustrator: Anna Tolkacheva

Box size: 19.8×19.8×5.7 cm

Family

Breaking news! A real Yeti has been spotted in the mountains! And they say it's got a really big sweet tooth. You, as young zoologists, cannot miss this once-in-a-lifetime opportunity – you simply must become the first to tame this fantastic creature. So, you pack up your gear and set out on an adventure. However, you are not the only ones who heard about this sighting: a zookeeper is following the Yeti's tracks, intent on catching the beast and putting it on display at the local zoo. You will not stand for this – the Yeti belongs in the wild! As for the Yeti, it's not going to be very happy with all these uninvited guests... Unless sweets are involved, of course!

SRP \$16

Components:

- 1 game board (the box insert)
- 1 cardboard Yeti mountain
- 20 cards
- 5 wooden pawns

Illustrator: Elizaveta Pospolit

Box size: 23.5x15.7x4.7 cm

Family

Happy holidays! All the princesses have gathered at a comfortable country castle for the summer. As is proper and beneficial for healthy slumber, each princess has brought her own set of 3 favorite mattresses. But an evil witch has crept into the castle and mixed up all the bedding, bewitching some of it beyond recognition! Now, as soon as the lights are off, the princesses bounce around on their beds all night long and won't calm down.

It is your task as a team of tutors to sort out all the mattresses and return them to their rightful owners. Summon magical helpers and use the magic looking glass or your sense of touch to lull the mischievous princesses to their majestic dreams.

WHAT THE FOMPLEZOOK?!

Game designer: Yuri Lanovenchik

Illustrators: Lula Dmitrieva

Box size: 19.7x10.5x4 cm

Party

What do you pack for a SLAYCATION?
What does a GRUMPLING taste like?
How do you imitate the call of a MIGHTINGALE?
And, most importantly, what the FOMPLEZOOK?!
«WHAT THE FOMPLEZOOK?!» is not a rhetorical question, but a nonsensical party game of word association! Hilariously explain absurd words, avoid obvious clues, confuse your friends, and be surprised by their unexpected guesses. By the end of the game, you might not understand each other any better, but one thing's for sure: you won't be bored!

Components:

- 1 game board
- 1 answer frame
- 9 player tokens

Mousewarming Party

Author: Antoine Rabreau, Wilfried Fort, Marie Fort

Illustrator: Anna Zhilina

Box size: 24×24×7 cm

Cooperative Family

A mouse family has moved to a new town. The mice are still getting used to a new home, but they already invited all the neighbors to a housewarming party. What should they eat? Luckily, there is a pizzeria right above the mouse house, where tasty morsels fall off the tables every now and then. But be careful – a pet raccoon zipping around the pizzeria tends to drag all the food it can get its paws on into its pantry. So, keep your eyes open: explore the mouse house and stock enough treats so that no one leaves the mousewarming party hungry!

Components:

- 1 pizzeria
- 1 game board
- 8 burrow tiles
- 6 mice figurines
- 2 double-sided food trays
- 1 dinner table tile
- 1 raccoon pantry tile
- 1 raccoon figurine

"Space is big. You just won't believe how vastly, hugely, mind bogglingly big it is." – Douglas Adams

Congratulations! You've been accepted into the prestigious Earth Space Academy. It's a great honor, one implying a hefty amount of responsibility: Can you conquer your self-doubt? Will you live up to the Academy's rigorous standards? And will you forge friendships with your fellow cadets, human and alien alike, before setting off to the stars, just as you've always dreamed?

FateFlip is a story that develops differently depending on your decisions, confronting you with either immediate consequences or repercussions revealed later on. Uncover all 11 possible endings to this journey!

1. Read the text on the upper half of a card and choose one of the available options.
2. Adjust the parameters on the counter according to your decision.
3. Flip and move the card as instructed by the icons and find out what comes of your decision.

Grim Dance

Game designers: Anne-Louise Agnès & Stéphane Villielm

Illustrator: Julia Paramonova

Size: 12.3×9.6×20 cm

Party

The Mexican Day of the Dead is the one time of the year that the veil between the world of the living and the world of the dead is the thinnest. At this carnival, all are welcome: take your neighbor's hand (skeletal as it might be) and join the dance!

In **Grim Dance** each turn the active player will be revealing a card in the center of the table, applying its

effect (if he wishes) and then taking it for himself. If the cards on either side of the chosen card are the same color, the player takes them as well – thus, a chain reaction can occur.

Collect white symbols on your cards, but don't be greedy: sometimes more is not better, as there are also black symbols on the cards that bring penalty points.

Life in an apartment complex can be VERY hectic at times! Every resident has their own preferences: some dabble in gardening and would like nothing more than to be surrounded by flowers, some are obsessed with cats and are always happy to see one on the balcony next to theirs, and some just want to take a nice long nap. How do you keep everyone happy?

Build an apartment complex, block by block, by filling the 5x5 grid. Each turn one of the players will be choosing which two sides of the building block he might get and which two sides will be left to the opponent. However it's the other player who decides where to place the

building block. Try your best to fulfill the conditions on the balconies facing you. Who will gain more points at the end of the game?

Balconia is a light tactical game for 2 players with unusual 3D components about creating harmony within the same building.

Components:

- 5×5 building grid (apartment complex)
- 22 building blocks with a balcony on each side
- 1 dual-layer selection disc

In the distant future greed rules the world. Several mega-corporations fight each other for supremacy and wealth. And you are one of the participants in this race. Gain the lost artifacts and technologies from the past using the power of time capsules. But beware – greed may lead you to tear the very fabric of space-time, putting in danger yourself and, possibly, all humanity.

Time Capsules is a pool-building game where you can use different objects and resources to devise your strategy. Amass victory points for the knowledge you receive and the artifacts you bring to the present in order to win this amazing race!

Components:

- 16 time capsules
- 4 bags
- 120 tiles
- 37 cards
- 26 dice
- 182 tokens
- 40 crystals
- 4 pawns
- round marker
- VP track
- 4 player mats
- rulebook

Is there anything that is equally square and non-stop, a bit absurd and hugely creative, extremely entertaining, but not washable at all?

In **Perfect Mismatch**, players take turns explaining words to each other using pairs of mind-blowingly disparate attributes as hints. Great for a fun party or family gathering, this game will test your associative thinking and ability to understand each other. Share plenty of laughs while discussing hilarious attribute combinations and the associations they trigger!
