

## Hints

## WARNING:

Do not read before playing the games!

HINT

03

You can see the reverse contours of the key you need through the keyhole.

HINT

05

Yesterday was Tuesday and the code began with the number 2. Today is Wednesday and the first digit of the code is 3.

HINT

07

Identify the plant in the packet. Pay attention to the numbers on the images and the notes next to them.

HINT

08

The first digit of the passcode is 2.

HINT

11

Calculate the correct dosage by taking all circumstances into account. The weight of the tablet is 10 grams.

HINT

12

The code is right in front of you. Look at the image from a different angle.

HINT

17

The moon can be replaced by the flashlight on your phone. Shine the light on the silhouette of the building. The cross marks will help you see the answer. Don't hold the flashlight too close and find a darker room. You should look for the code while facing the flashlight.
