HINTS

WARNING:

DO NOT READ BEFORE PLAYING THE GAMES!

HINT 1

The cookbook is neither blue nor yellow. Look for it on the top shelf.

HINT 3

Dates on calendars are usually written in big numbers.

HINT 4

The phone number can be broken down to a row of numbers: 1, 3, 5, 7, 9, 11, 13...

HINT 8

Only butter and eggs in the recipe are of animal origin.

HINT 10

How many waffle squares has each mouse eaten?

HINT 12

Note how the numbers increase in the rhyme.

HINT 14

All the other locks are either not locked or do not prevent the door from opening.

HINT 17

Rub the jars to intensify the smell of the jam. The order of the jam jars is mentioned in the recipe.

HINT 18

The top parts of the whisks must match the mixer holes.

HINT 21

The time and temperature are mentioned in the recipe. Pay attention to the fan icon when setting the oven.

HINT 23

Follow the arrows from the first number of the code and use the decoding chart from page 12 to read each number.
